

The Dellamano Family Tree

Starting with my father, Joseph Dellamano, on the left below, you will find his siblings listed above him. Siblings are connected by thin vertical lines and are listed in birth order (oldest at top).

Use the scroll bars to move around the chart. As you look to the right, thick horizontal lines will lead to someone's parents. Thick vertical lines connect married couples; the husband always listed above, with the wife listed below him. Marriage date and place is listed on the connecting line if I know it.

Each family name is listed in a different color.
